SUMMARY

Computer Science graduate who completed studies in 3.5 years with hands-on experience in technical support and mobile development. Experienced in building, maintaining, and optimizing applications while developing strong problem-solving, technical, and collaboration skills. Quick adapt, eager to learn new technologies, and committed to delivering scalable solutions while continuously growing in the technology industry.

WORK EXPERIENCE

Mobile Developer Internship Aksesmu

Sept 2025-Feb 2026

- Supported senior developers in the end-to-end mobile development lifecycle (Android) for the Aksesmu application.
- Implemented new features by translating UI/UX designs into scalable code and integrating business logic.
- Improved application performance and stability through bug identification, analysis, and resolution.
- Ensured code quality by contributing to testing (unit & widget tests) and actively participating in code reviews and cross-functional collaboration.

Technical Support Internship ERP Indonesia

Feb 2025-Jul 2025

- Designed and implemented new features based on client requirements using Flutter and Odoo server.
- Identified and fixed bugs to improve application performance and reliability.
- Collaborated with developers and clients to deliver tailored and efficient solutions.

Promotion Team Marketing Part Time BINUS University

Aug 2023-Aug 2024

- Executed regional promotional campaigns and direct marketing initiatives across Solo, Yogyakarta, and Semarang to increase university brand awareness.
- Managed promotional exhibition booths at major public venues, including a 3-day event at Pakuwon Mall Jogja and a 1-day event at DP Mall Semarang.
- Served as a field coordinator (Runner) during the iDEX campus event, facilitating campus tours and assisting visiting high school students and teachers to ensure a seamless experience.
- Honed strong public speaking, interpersonal communication, and persuasive skills by actively engaging with prospective students, parents, and the general public.

ORGANIZATION EXPERIENCE

Regional President UKM Futsal Binus University

Mar 2024-Mar 2025

- Leading UKM Futsal BINUS, arranging training schedules, arranging events to be held, and interacting with leaders in other regions.
- Official Futsal Binus University@Semarang Rector Cup 2022, 2023, 2024
- Holding Community Service at Orphanages in 2023
- Held Futsal competition in Binus University@Semarang in 2024

PROJECTS

Garage Plus App

Mar 2026 - Jul 2026

- Built the Garage Plus application using Flutter and Supabase, driving full feature development, database architecture, and performance optimization to deliver a highly reliable customer maintenance tool.

Mantra Mobile App

Sept 2025- Feb 2026

- Worked as a Mobile Developer using Android Studio, delivering features, resolving issues, and optimizing performance to enhance application stability and user experience.

Sigap Security Mobile App

Feb 2025-July 2025

- Worked as a Technical Support using Flutter, contributing to feature development, bug fixing, and performance optimization to ensure application reliability.
